

THE CENTER FOR MARXIST EDUCATION PRESENTS

TIMBUKTU

Sunday, September 25 | 6:00 PM

Gracefully assembled and ultimately disquieting, *Timbuktu* is a timely film with a powerful message about a cattle herder and his family who reside in the dunes of Timbuktu find their quiet lives -- which are typically free of the Jihadists determined to control their faith -- abruptly disturbed.

Join Richard Pendleton, monthly film coordinator and Susan McLucas, Activist against female genital mutilation who has spent time in Mali, in a follow-up discussion of *Timbuktu*.
